

Parks Employee, Volunteer, and Worksite Visitor Screening Questionnaire

BEFORE entering this facility, worksite, or using agency vehicles, ask yourself the following questions:

1. Since your last day of work, have you experienced a new cough that you cannot attribute to another health condition?
2. Since your last day of work, have you experienced new shortness of breath or difficulty breathing that you cannot attribute to another health condition?
3. Since your last day of work, have you experienced fever or sense of having a fever that you cannot attribute to another health condition?
4. Since your last day of work, have you experienced chills or repeated shaking with chills that you cannot attribute to another health condition?
5. Since your last day of work, have you experienced muscle pain that you cannot attribute to another health condition?
6. Since your last day of work, have you experienced a headache that you cannot attribute to another health condition?
7. Since your last day of work, have you experienced a sore throat that you cannot attribute to another health condition?
8. Since your last day of work, have you experienced a new loss of taste or smell that you cannot attribute to another health condition?
9. Since your last day of work, have you experienced congestion that you cannot attribute to another health condition?
10. Since your last day of work, have you experienced nausea or vomiting that you cannot attribute to another health condition?
11. Since your last day of work, have you experienced diarrhea that you cannot attribute to another health condition?
12. Have you had a positive-COVID test for active virus in the past 10 days?
13. Within the last 14 days, have you had close contact, without the use of appropriate PPE, with someone who is currently sick with suspected or confirmed COVID-19? (*Note: Close contact is defined as within 6 feet for more than 15 with a person, or having direct contact with infectious fluids from a person with confirmed COVID-19 (for example, being coughed or sneezed on)*)

If a Parks employee answers yes to **ANY** of these questions, they shall stay home or go home and contact their supervisor for direction.

If a volunteer or visitor answers yes to **ANY** of these questions, they will not be permitted to enter the Parks office or worksite and should contact park staff immediately for direction.
