- Fees – Annual Permit Holders.** For Profit Businesses: \$2 per person, per day, per park. Non-Profit Businesses: \$1 per person, per day, per park. Per person charge shall include staff and clients.
- Fees – Temporary Vendors.** No per person charge shall apply. Other fees may be charged depending on type of vendor/event. Permit and fee are good only for dates shown on the face of this permit. A new application and permit fee is required for each event vendor will participate in.
- End of Season Report.** Permittee shall document all usage on an End of Season Usage Report and submit to State Parks no later than one month after activities have ended for the season. An annual CUP will not be issued for subsequent years until State Parks receives the End of Season Usage Report and payment fees for prior years. This report is due whether you conducted activities in a state park or not. Temporary vendors are excluded from this term.
- Business Transactions.** This permit does not authorize the permittee to solicit business, advertise, collect fees, or sell any goods or services on property owned or managed by State Parks. This includes, but not limited to: receiving or exchanging money or compensation by barter, cash, credit card, or other financial instrument; entering into any contracts or rental agreements; soliciting for signatures, waivers, or hold harmless agreements from business customers. The Permittee shall make no representation to the public that said Permittee is authorized to transact business on State Parks property by virtue of this Permit. Temporary vendors are excluded from this term.
- Advertising.** The Permittee shall display no signs, banners, or other advertisements for the purpose of soliciting business on property owned or managed by Washington State Parks. Logos and signs painted or attached to vehicles are permissible, provided they are permanently affixed. The Permittee shall not distribute any brochures, flyers, or other promotional literature on property owned or managed by State Parks. Temporary vendors are excluded from this term.
- Non-Exclusive Use.** This permit shall not be construed as limiting the rights of State Parks to issue similar permits for the same or similar activities in the area covered by this permit. The Permittee shall have no exclusive rights or privileges to use State Parks owned or managed property, including parking spaces, staging areas, trail areas, picnic and kitchen shelters, campsites, docks, piers, floats, watercraft launching or water areas. Furthermore, the Permittee shall have no exclusive rights or privileges to conduct the given activity on State Parks owned or managed areas.
- Lawful Operations.** The permittee agrees to operate in accordance with all local, state, and federal laws and regulations. The issuance of this authorization does not alleviate the necessity of the permittee to obtain all required local, state, and federal licenses, tags, permits, registrations, and certifications that are applicable to the permittee’s activities. Permittee shall ensure compliance by its employees, agents, contractors, subcontractors, licensees, or invitees.
- Protection of Public Health, Safety, and Welfare.** The permittee shall exercise diligence in protecting the health, safety, and welfare of clients and the general public. Washington State Parks may require the permittee to submit copies of applicable industry standards and require the permittee to adhere to those standards.

10. **Natural Hazards:** The permittee recognizes and understands that natural hazards are likely to exist within the area of his/her operation. The permittee agrees to take all reasonable precautions to make himself/herself aware of these hazards and to advise all clients of the hazards. The permittee is responsible for ensuring the safety of the clients under his/her supervision.
11. **Protection of Lands, Facilities, and Resources.** The commercial activity shall not damage, destroy, or diminish state property, natural amenities, or facilities except for normal wear and tear. No natural vegetation shall be cut, pruned, cleared, or altered and no soil disturbed without prior approval of State Parks. State Parks reserves the right to observe and inspect the area affected by the commercial activity and take whatever action it deems necessary to protect natural resources and people on the state property.
12. **Other Permits.** Permittee shall obtain and be in possession of all permits and licenses required for the permitted use including a copy of this approved Commercial Use Permit (or vehicle display CUP). Permittee and permittee's customers shall have a valid Discover Pass or day pass while parking on State Park owned or managed land. The liability insurance policy must also list Washington State Parks and Recreation Commission as the additional insured and provide State Parks with a copy of the insurance certificate. Insurance must be valid for the term of the commercial use permit.
14. **Indemnity.** Permittee shall indemnify, hold harmless, and defend the State, its officers, agents, and employees from liability of any nature or kind, including costs and expenses for or on account and any and all legal actions or claims of character whatsoever resulting from any actual or alleged claims, losses, or lawsuits directly or indirectly resulting from use of State Parks owned or managed land.

16. **Geographic Limit/Private Property.** This permit is applicable only for the use of the parks designated on the permit. This permit is not applicable to lands not owned or managed by Washington State Parks. Many state parks are bounded by private property and permission to use private property must be obtained in advance from the land owner. Use of private land without permission is trespassing.
17. **Report Abnormal Sightings.** The permittee agrees to notify park staff of any problems, abnormal conditions, or unusual conditions observed while operating on/over park lands.
18. **Revocation.** Any revocation of this permit may result in denial of future permits by the same permittee.
